Homecoming Dedicatee

This year's district dedicatee grew-up on the family farm outside of Alva, Oklahoma and attended high school in Capron, Oklahoma. She played basketball, was a Cheerleader, was also involved in choir, Glee club, Pep club, Annual Staff and was the FFA Sweetheart. She was one of only 7 students in the graduating class of 1966. Mrs. Liz McLaws attended Northwestern College in Alva, Oklahoma. She worked at a nursing home and broke horses to pay for college.
Her loves are her husband of 36 years, Charles McLaws and her family. She also loves horses and Rodeo and has HAZED for local and professional Bull Doggers. Drag Racing is also a passion of hers. She works in the pits helping her husband wrench on their Top Alcohol Funny Car. Mrs. Liz McLaws is truly a woman of many talents and puts her heart and soul in to everything she does.
In 1973 she started teaching PE and Health at Winslow High School. She also taught Driver's Education for twenty years. This amazing lady has coached gymnastics at WHS for six years, volleyball for 30 plus years, winning a state title in 1983. She was a sponsor for cheer, pom and pep squad. She is currently a sponsor for the Class of 2020, Victory with Honor and our Social Committee. She works almost all of our sporting events; such as crowd control during our football games, books, clock or libero for Volleyball meets, clock for all our basketball games (which she had been doing for over 30 plus years with her partner Mr. Griffith) She is always willing to go above and beyond for our students, staff and school. We are truly blessed to have her as a part of our team.

MRS. ELIZABETH MCLAWS

Homecoming Dedicatee

Born and raised right here in Winslow on May 15, 1969 this dedicatee epitomizes what it means to be dedicated. The eldest child of Ray and Vicki Gonzales (also lifelong residents) Angela Gonzales' Moser grew up in Coopertown with three siblings, Raymond, Christopher, and Josie. It probably would not surprise most of you that she also has many aunts, uncles and cousins that grew up and live here in Winslow as well.

After receiving an education from the Winslow Unified School system and graduating from this very school in 1988 Angela married and quickly became the mother of two, Felicia and Jeffrey. All the while she was raising her children she worked to support and provide for her family. Her dedication to her children has never wavered, was and is still, paramount in her life.

For many years she was the attendant that golfers would deal with when they went to play golf at the Winslow Municipal Golf Course that used to be located on North Road. Working there gave her the experience of taking care of the needs of customers and conversing with people of various social backgrounds. Despite her "shyness", it forced her out of her comfort zone and taught her some of the skills that have gone on to serve her well in life.

Not long after the golf course closed, in 1998, she applied for and began an amazing career with the Winslow Chamber of Commerce. The Winslow Chamber of Commerce is contracted by the City to operate the Visitor Center and Angela took to the tasks before her like a "duck to water". This is where her dedicated nature has shined. Having been a lifelong resident of Winslow there were already a number of ways she could do justice to the position. Things to see, things to do, directions, history, and a myriad of general information about Winslow, were easy for her to evoke and offer. These qualities she always gives, not only to visitors but to the Winslow populace as well. Her love of Winslow and willingness to go out of her way, to do the "extra", to highlight all the good things about Winslow, are a testament to her dedication to this place she has always called HOME.

Her face and presence are often the first encounter that a visitor has when they come to Winslow, and Winslow is lucky for it. The Chamber of Commerce, over the years, has received countless cards, e-mails, letters and messages that describe her professionalism, kindness and knowledge of the City and region. As well, she brings her skills to the table in taking care of local matters. She is a "fountain" of information for local and new residents and if there is a major event taking place in Winslow it is highly likely that she is involved in some capacity. She gladly helps to promote, to organize, to handle auctions, to work in vendor booths, to line up a parade, to set up a carnival, to sell raffle and concert tickets, to be there before the sun rises and stay till late in the night...this list could go on and on.

All this and more is done from the love and care that she has for Winslow, its people, her family and her desire for a brighter, better future of our City.

A NOTE FROM THE EDITORS...

ITS BEEN A LONG RIDE, STARTING FROM FRESHMAN YEAR TO SENIOR YEAR, WE HAVE ENDURED MANY DIFFERENT OBSTACLES THAT HAVE HELPED US MOLD INTO "MATURE" ADULTS (OR ABOUT AS CLOSE AS YOU CAN GET). NEEDLESS TO SAY, WE COULD NOT HAVE GONE ANYWHERE WITH OUT THE HELP OF OUR TEACHERS, FRIENDS, AND FAMILY. WE ESPECIALLY COULDNT HAVE WITHOUT THE HELP OF MRS. LONG. WITHOUT HER, WE WOULDN'T HAVE FOUND OUR POTENTIAL.

"I AM GOING TO MISS YOU GUYS NEXT YEAR. GOOD LUCK."
